MOR-GRAN-SOU
ELECTRIC COOPERATIVE

Cooperative happenings

Help shape future of cooperative

While you may be thinking about holiday plans or staying warm this winter, we're already looking ahead to next years 80th Annual Meeting. Our board of directors leads our cooperative with passion and forward thinking to ensure the longevity of Mor-Gran-Sou Electric Cooperative. If you are interested in running for a director position, visit with a current director or call our office.

Youth Tour applications are open

We are now accepting applications for the 2027 Youth Tour in Washington, D.C. Applications are open to sophomores or juniors in high school for the school year 2026-2027. Visit our website for details and to apply. The application deadline is Jan. 15.

Read this month's issue of *North Dakota Living* and more by scanning the QR code or visiting our website.

MEMBERSHIP OPPORTUNITIES

OPERATION ROUND UP

Operation Round Up is a powerful testament to the collective strength of our cooperative and its members. Through this program, we pool voluntary contributions from our generous members, who selflessly choose to round up their electric bills to the next dollar. These small yet meaningful contributions come together to create a significant fund dedicated to charitable giving. **If you know of an individual or organization worthy of consideration to apply for grant money from this charitable fund, visit morgransou.com.**

RDFC

The Rural Development Finance Corporation (RDFC) is a North Dakota nonprofit finance and development corporation whose member-owners are all the North Dakota Rural Electric Cooperatives, nine of the North Dakota Rural Telecommunication Cooperatives and the North Dakota Association of Rural Electric Cooperatives. **Visit morgransou.com for information and details.**

YOUTH PROGRAMS

SCHOLARSHIPS

We offer scholarships for high school seniors. These funds are designed to support students as they further their education and pursue their career goals. **Scholarship applications are due Feb. 17, 2026.**

YOUTH TOUR

One high school sophomore or junior can win an all-expense-paid trip to Washington, D.C., and embark on a journey of a lifetime. Students will need to write an essay for a chance to represent Mor-Gran-Sou Electric as part of the North Dakota delegation on the National Rural Electric Cooperative Association's Youth Tour! **Applications are due Jan. 15, 2026.**

IN CLASSROOM VISTS

Our employees have a vast amount of knowledge and are available to provide students with information on how energy services are provided and how to stay safe around electricity.

COLORING CONTEST

Grab your art supplies and draw a poster that tells our members how you play and work safely around electricity. Cash prizes will be awarded in each student division. Information on the coloring contest will be available in Janurary.

PROGRAM SPONSORS

As a member of the communities we serve, we are delighted to sponsor various programs that engage youth, such as 4-H. If you have a 4-H animal project and are seeking sponsorship, contact our office.
